- Pathway from Ivy Close underpass to surgery - SDDC have contacted the developer who has confirmed that this is their land and they will clean it up. On completion of the development they will look to get the area of land added to the open space areas and taken on by SDDC.
- Local councils update December 2014
- Peveril Homes ref Etwall Road development. We can confirm that we have not removed a hedge between the cemetery and site. The only section of hedge removed is at the entrance to form the site roads. At the line between our site and the cemetery is an existing metal fence, we have erected a security fence on our side of that fence. We do plan to erect a permanent fence as soon as the road is installed at that point. Until that is possible we will fix netting to the security fencing to reduce the view of the site.
