Dear Deb,

On my previous email I forgot to add the location of the firework display. We would like to use Twyford Road Playing field.  
Sorry about the omission.

Kind regards,

(Scout group secretary)

Dear Deb,

Willington Scout Group would like to ask for permission from the parish council to run the village firework display on 6th November 2021.

We have run the event for many years paying for the following years fireworks with donations from the previous year. Due to Covid last years event did not take place so this year we are trying to hold a bigger display and would like to ask the Parish Council if they would be willing to make a contribution towards the cost of the fireworks. We will be ordering fireworks of a cost of around £1500 and any support would be very welcome. The company we order the fireworks from have said that if our display has to be cancelled for any reason, they will hold the fireworks for us until a time we can use them.

The firework display is to be registered with South Derbyshire District Council, is fully insured and all relevant authorities are informed. No entry fee is charged and has I have said only voluntary contributions are taken on the evening.

Kind regards,

(Scout group secretary)
