Subject: RE: bowls club roof

Hi,

This quotation has been sent in reply to e-mail received from the parish council dated 9/9/20, obviously delayed for several months during concurrent covid 'lock-downs'.

In the reply received it stated that a condition report is made of the pavilion roof. Although the pavilion is currently 'waterproof' it is many years since the building was last 're-roofed' and we are just informing of the situation so that the Parish Council are aware of any potential future spend.

Thanks

Hi

Thank you for your email. I will pass this to the next Council meeting in September as I wasn't aware that we had asked for a quote for this work.

I will be in touch as soon as possible.

Regards
